◆◆ 捷克投資商機說明會 ◆◆

Czech Republic Investment Opportunities Seminar

主辦單位：經濟部投資業務處 捷克貿易代表處

Organized by: 經濟部投資業務處 捷克貿易代表處

前言：

捷克位處歐洲中心，地理位置絕佳，在半導體領域擁有許多罕見優勢技術並享譽國際，如電子顯微鏡、真空技術、晶片設計製造等，捷克研發及教育機構更是為半導體產業塑造理想的發展環境，吸引多家臺商相繼赴捷投資。

半導體相關投資受捷克政府支持，最高可提供投資額 20% 至 40% 之投資獎勵，本次將由捷克投資促進局代表介紹捷克整體投資環境，另由捷克各半導體企業代表進行公司簡介及合作商機，誠摯邀請有意拓展海外布局的企業先進共襄盛舉！

Czech, strategically located in the heart of Europe, boasts exceptional advantages in the semiconductor field, including rare technologies such as electron microscopy, vacuum technology, and chip design manufacturing. The country's research and educational institutions create an ideal environment for semiconductor industry development, attracting numerous Taiwanese businesses to invest in the region. Investments related to semiconductors receive support from the Czech government, which offers investment incentives ranging from 20% to 40% of the investment amount. In this event, representatives from the CzechInvest **with their cooperation companies, which are also members of Association for Foreign Investment (AFI)** will introduce the overall investment environment in the Czech Republic. Additionally, Czech tourism will deliver the MICE opportunity in Czech. We sincerely invite forward-thinking enterprises interested in expanding their global presence to join us in this grand occasion!
