Repair Service Experience

- 6 years experience of repair Gateway & STB products.
- Experienced to repair for Tier 1 EU operator.
- Total 18 Technicians to ensure analysis & repair quality.
- Good support from Gemtek Taiwan and China for material management and Engineering technology.

Why in Czech

Advantage :

1. Factory location in Plzen : Middle of Europe, very close to Germany boarder (80 KM / 1 Hour drive) which secures TAT timely.
2. Lower Labor fee compared with Western EU countries.
3. Better education resource (Plzen University).
4. Stable and Safe Environment : Friendly to Foreign Investor.
